

AstroArts Contest (April 1, 2019 - April 25, 2019)

Aavya Singh astroart 2018

"Colorful Journey of a Star from a Nebula" by Aavya Singh, K.R. Mangalam World School - Gurugram, Second Prize winner, teen category, GAM2018

SPACE India and Astronomers Without Borders is proud to host the fourth AstroArts contest. Art is a fantastic way to share the excitement of astronomy. We can't wait to see what you'll submit to the contest!

The competition is open for the people of all the ages. There are four categories:

Young Children - ages 7 and under

Youth - ages 8-12

Teen - ages 13-17

Adults - ages 18+

Participants under the age 18 must be approved by a parent or guardian. Teachers, we encourage you to get your whole class and involved!

The form of the artwork is very open, but it must be a creative piece. **Astrophotography is not accepted.** There is no specific theme. Your artworks should be inspired by your passion for astronomy.

The artwork must be submitted digitally. If you have created a physical piece, please submit a high quality photograph of the work, making sure it is clear and easy to see.

Prizes

Prizes vary and winners are not guaranteed a specific prize. However, we can say that Sky & Tel and Astronomy Magazine are two of AWB prize sponsors!
