

SPACE & STEM WORKSHOPS FOR ALL AGE GROUPS

IGNITING THE SPARK OF IMAGINATION & CURIOSITY

Launching Hydro Rocket with Space Educator

Students Launching Pop Rockets

Students Learning about Sky Objects

Crafting Planets with POP Material

Students Identifying Planets and Their Features

Observing Sun Through Telescope with attached Solar Filter

SPACE EXPLORERS WORKSHOPS - Inspiring Hands-on Learning

SPACE brings to you the most engaging & revolutionary workshops curated with Astronomy, Space Science & STEM education for young minds (grassroots) with hands-on learning opportunities.

The 'Learning by doing' methodology allows participants to experiment & understand the potential gaps between theory and practice. The participants are encouraged to ask questions, instigate curiosity & understand the relevance of Astronomy & Space Science in our day-to-day life. SPACE has successfully conducted 10,000+ Workshops across prominent schools of India.

Benefits of Space Explorers Workshops:

- ✦ HANDS-ON ACTIVITY based Sessions encouraging EXPERIENTIAL LEARNING
- ✦ Every Workshop is based on an independent theme having defined LEARNING OBJECTIVES
- ✦ Participation in National & International Events, Competitions and Projects organized by NASA, ESA, ISRO etc.
- ✦ 21st Century Skill Set (Critical Thinking, Creativity & Holistic Development)
- ✦ Field Training & Observation
- ✦ Experts Interactions (Astronauts, Astronomers, Educationists)
- ✦ Handling Scientific Instruments (Telescopes, Binoculars etc.)
- ✦ Every workshop has a TAKEAWAY SCIENTIFIC KIT
- ✦ Scientific Projects & Scientific Skill Training
- ✦ Community Outreach & Engagement
- ✦ Students will receive certificate after the completion of the workshops
